

# National Day of Prayer Balloon Launch

Thursday, May 7, 2009  
6:00 pm

Family Bible Church

243 S. Commonwealth Ave., Aurora IL

(630) 897-2417

[www.FamilyBible.Blogspot.com](http://www.FamilyBible.Blogspot.com)

Please join Family Bible Church as we observe National Prayer Day. Share your prayers, worries, and wishes on a note attached to a balloon and release it into heaven. Lost a loved one? Help celebrate their life and release some grief through a balloon. Have a special person in your life that you love? Release a balloon in recognition of that love too! Do you have someone away at war? Let's pray for their safety and quick return home together. Release as many balloons as you would like. Each participant will also be given a bible verse to attach to their balloons. Together we will pray that the wind will carry these balloons to someone who needs to hear a word from the Lord. On the back of these cards will be the address of Family Bible Church. It is our hope that the person who finds the cards will send them back to us with their name, location, and any special needs or prayers they have. We are so excited to not only see how far our balloons traveled, but also start a prayer wall for all those in need.

*All ages to participate, children & adults.*

*Environmentally friendly products.*

*\$1.00 / balloon*
