

Are you a writer or an aspiring writer looking for connection to a like-minded group?

The successful critique model of Word Weavers, a 200-member critique group founded in Orlando Florida, recently caught the attention of acclaimed author Jerry B. Jenkins. Jenkins is widely known for his best-selling series of novels, *Left Behind*. At the end of 2010, the Jerry B. Jenkins Christian Writers Guild (CWG) of Colorado announced its acquisition of Word Weavers (WW), and has since offered to help us organize a Local Chapter here.

We are currently looking for a few strong leaders. If you are interested in helping us launch a CWGWW Chapter here, please call/email: Cindy Huff (630) 618-4264 cindyshuff@comcast.net

Helping Christian writers follow God's creative call.
