# You Can Run, But You Can't Hide

*In Furious Pursuit, authors Tim King and Frank Martin reveal the secret to why God will never let you go*

DALLAS/FORT WORTH, TX—"You are not defined by what you've done. You are defined by Who pursues you," says Tim King, co-author of *Furious Pursuit: Why God Will Never Let You Go*.

This passionate new release from WaterBrook Press instantly connects with the desperation of thousands of believers and answers the honest heart cry few Christians would dare to vocalize. "I'm sick of chasing after God. Why doesn't He chase after me for a while?"

Unlike the multitudes of "how to" books and guides to becoming a "better" Christian, in *Furious Pursuit* authors Tim King and Frank Martin contend that God alone carries the burden of establishing and maintaining a relationship with His children. In their book, they powerfully demonstrate that whether believers realize it or not, God is *already* in furious pursuit of each one of them, and he will not be denied.

As Tim and Frank lead readers to the freedom, rest, love, grace and acceptance to be found in the fervent faithfulness of God, they also emphasize the importance of awakening to the voice of God's larger story of love—one in which we are the beloved and He is the Bridegroom. For those who long to discover the God whose loving presence reaches us even in the midst of our sin and faithlessness, *Furious Pursuit* addresses:

- **Recovering God's larger story and the Eternal Romance**
- **Relinquishing the smaller stories of fear, pain and loneliness**
- **Dealing with sin the way God does**
- **Finding one's eternal identity**
- **Running the race in hope**

The companion workbook to *Furious Pursuit* walks readers through a ninety-one day journey of reflection while taking a fresh biblical look at what it truly means to be a child of God. "It's just not about our faith *or* faithlessness," says Tim. "It's all about God's single-minded faithfulness and His furious pursuit to capture us in His transforming love."
